

Name: _____ Primary school: _____

Year 6 → 7 Identity Project: Who am I?

When you arrive in September, your new teachers and classmates will want to know all about you! To help us get to know you, over the summer we would like you to fill this folder with as much information as possible.

Here are a few ideas you might wish to include in your folder. You don't have to do include all these ideas, although it would be fabulous if you do...!

- **A fact file about you:** Birthday, hobbies, interests, likes and dislikes, favourite books, films, food & drinks...
- **The year of my birth:** What happened during your birth year/month? (hint: search the internet!) You might wish to include local, national, and international news. What song was number one on the day you were born?
- **Photo collage:** Share some pics of you, your friends, family members, pets, memories, selfies and photo bombs! (NB – before you use them, please make sure people in the photos are happy to have them shared)
- **Pet profile:** Do you have any pets? Have you ever had a pet? Tell us about them!
- **My story so far:** Make a timeline with memories of your life so far. What major (or minor) events have made you who you are today?
- **Book review:** Read a book over the summer and write a review of it to tell your classmates all about it!
- **My ideal day:** How would you spend your ideal day, if money was no object?
- **My family:** Introduce and describe your family. You might wish to create a family tree – there are some genealogy websites that can help you with this (although you often have to pay – check with an adult)
- **My friends:** Why not write a profile of some of your friends – likes, dislikes, fun memories...
- **An interview with ____:** Interview someone important in your life – your best friend, a family member, a neighbour etc... record it, write it up and share it!
- **My dream dinner party:** Who would you invite to your dream dinner party, and why?
- **My future:** Describe what you think you will be like in the future. Choose different ages to describe (e.g. 13-16, 16-18, 18-21, 21-25, 25-30, 30-40...)
- **My passions:** What else could you add that will really allow people to understand what makes you, you?
- **My ideal school:** If you could design your own school, what would it be like and why? You might wish to draw a map, or an ideal day (hint – it must be educational – no theme park rides!)
- **Hopes and dreams:** What do you want to achieve in your life? How would you change the world, if you could? What do you wish people would do differently?
- **Who am I really?** Try listing all the different ways in which you can define yourself: as an ape, a mammal, a hominid, a citizen of a country, a child, a colony of cells, a walking collection of atoms, an artist, a scientist, a tennis player, a musician... how long a list can you?
- **A letter to myself in 5 years:** Write a letter to your 16-year-old self. Keep this safe until you reach year 11!

Good luck – have a great summer, and we look forward to reading all about you!
